1. Is there a major issue / initiative / project that the Edmonton Sport Council should pursue or investigate?

2. How could / should the Edmonton Sport Council benefit the entire Edmonton sport community and still offer exclusive member benefits? What should exclusive membership benefits include?

3. Please comment on the frequency of our weekly enews, frequency of information within the enews, content, style, etc.

4. Few sport organizations apply for the Universiade '83 Foundation Inc. grant which provides project-specific financial assistance (matching to a maximum of $5,000) for operating costs associated with:

   - the delivery of new or innovative projects, services or programs that enhance the public's awareness or appreciation of sport, culture or the arts in Edmonton
   - the delivery of training opportunities (workshop, clinic, conference), which advance coaches', instructors', artists' or performers' knowledge
   - costs of essential program equipment, materials or supplies needed to provide programs or services, or to improve the internal organization or administrative capacities.

   What would encourage more sport organizations to apply?
